

Riley Beenders

(484) 523-4431 | rileybeenders@gmail.com | www.rileybeenders.com

Education

The Pennsylvania State University, University Park, PA
Bachelor of Science in Industrial Engineering
Certificate in Engineering Design and Tools

May 2023 (Anticipated)

Experience

Filament Innovations, Coplay, PA
Lead Industrial Engineer & Industrial Designer

February 2020 – Current

- Designed all the current industrial 3D printers we offer from the frame, linear motion, electronics, and body panels.
- Creation of the world's first 4'x8'x4' hybrid high-flow and pellet 3D printer withing a very tight timeframe.
- Adapt current designs to accommodate customers' personal needs.
- Partnered with the Navy and Mitsubishi chemicals to test and implement different materials for various applications.
- Revolutionized the prosthetic and orthotics industries with high flow 3D printers of my design.

Blue Mountain Ski Resort, Palmerton, PA
Ski Lift Operator

November 2019 – January 2021

- Cared to thousands of guests while loading chairlifts, scanning tickets and resolving ticket issues.
- Educated guests on snow conditions, run closures and weather forecasts.
- Started lift each morning, performed safety inspections and performed post-operation shutdown procedures.
- Assisted the maintenance crew when the lifts and carpets would break down.

Northampton Area School District, Northampton, PA
Computer Technician – Summer Internship

June 2017 – August 2019

- Setup and deployed over 2500 Chromebooks across 4 elementary schools, a middle school, and a high school.
- Created an Arduino tool to automatically input the required setup data for every laptop.
- Installed over 800 access points to accommodate the large increase in internet traffic the Chromebooks brought.

Skills

- | | | |
|--|-------------------------------|----------------------------|
| • 5 Years experience in CAD including: | • 3D Design and Simulation | • Mechanical Design |
| • Autodesk Fusion360 | • Machine Design | • Vendor Sourcing |
| • Autodesk Inventor | • LCD, LED, and OLED Displays | • Schematics Understanding |
| • Solidworks | • Design Development | |
| • 3DS Max | | |

Honors & Awards

Lafayette College, Easton, PA
The Academy for Applied Engineering

August 2018 – June 2019

- High School Engineering Program offered to a select few high school seniors in the Lehigh Valley.
